

# Ganesh Bobade

Highly motivated and results-oriented software engineer proficient in several programming languages, specializing in full-stack web development. I am dedicated to learning and staying updated with new technologies to excel in projects and deliver quality work. Dedicated to crafting innovative solutions that optimize functionality and deliver exceptional user experiences.

## Work Experience

### Full-Stack Developer Intern at Sciquis Infotech

Jan 2023 - Jul 2023

- As a Intern, I Collaborated with a team of developers to design, develop, and deploy web applications using the .NET framework and ReactJs.
- Gained hands-on experience in web development, utilizing the ReactJs and .Net to build scalable applications.
- Assisted in the creation of RESTful APIs to enable seamless communication between front-end and back-end systems.

## Education

### Bachelor's of Engineering in Information Technology

Savitribai Phule Pune University

July 2020 - July 2023

### Diploma in Information Technology

S.V.P.M's Institute of Technology, Baramati

July 2018 - July 2020

## Projects

### Restaurant POS System (MERN Stack)

- Created a Responsive POS system for a restaurant using the MongoDB ExpressJs, ReactJs, NodeJs (MERN Stack).
- Implemented features such as order and Bill management, inventory tracking, and customer database using MERN Stack.
- Created RESTful APIs for handling CRUD operations on orders, inventory using NodeJS and ExpressJs.
- **Technologies Used:** ReactJs, RESTAPIs, MangoDB, Nodejs, GitHubhh ExpressJs.

### Blog Website (Techno Blog)

- The platform provides distinct functionalities for regular users and admin, facilitating efficient content management and user interaction.
- Users can View and interact with blog posts through comments and likes and Manage personal account settings.
- Manage all blog posts, View and manage user accounts and comments.
- **Technologies Used:** MERN, Firebase, Tailwind CSS, GitHub

## Skills

### Technical Skills

- JavaScript, Java, C#, Python
- ReactJs, Tailwind , Bootstrap
- NodeJs, ExpressJs,
- .Net Framework, Servlet
- MongoDB, MySql

### Tools/Software

- VS Code, GitBash
- Eclipse, PyCharm
- MongoDB Compass
- Postman, Xampp
- Visual Studio

### Languages

- English (Proficient)
- Hindi (Fluent)
- Marathi (Native)

### Certification/Short Courses

- Java Full-Stack
- JavaScript for Beginners
- Introduction to MERN Stack

## Additional Information

- Served as Team Lead for a team of interns, overseeing project assignments and ensuring timely delivery of tasks.
- Volunteered for various sports events and functions.
- Received "Excellence in Class" award in diploma
